

# Air & Waste Management A S S O C I A T I O N

## AWMA Georgia Chapter and Corporate Friends

Subject: 2011 Corporate Sponsorship Program  
A&WMA Georgia Chapter

Dear Member/ Corporate Friend:

The Georgia Chapter of the Air and Waste Management Association (A&WMA) seeks your involvement in a Corporate Sponsorship Program to improve public awareness on environmental issues and support development of environmental professionals. We believe that, as a participant in this program, your organization will receive substantial benefits by being recognized as progressive, environmentally aware, and concerned about helping your local community.

There are several corporate sponsorship levels available:

- **Regulatory Conference Sponsor-\$250:** Sponsors at this level will have their logo on all annual conference materials, plus signage at the conference recognizing their company's sponsorship.
- **Corporate Sponsor-\$500:** In addition to the Regulatory Conference Sponsorship benefits, Sponsors at this level will have their logo on all Chapter publications for one year, plus a link to your website will be posted on the Georgia Chapter website.
- **Southern Section Conference Corporate Sponsorship-\$750:** This is a special sponsorship category that has been established just for this year for the annual Southern Section AWMA meeting which will be taking place at Callaway Gardens in Pine Mountain, Georgia. Sponsors for this event will have their logo on all conference materials, be provided signage at the conference recognizing their company's sponsorship. Sponsors at this level will also be provided an Exhibitor table at the conference and be provided same benefits as such. Sponsorship of this event will not include any other benefits established for other sponsorship levels.
- **Scholarship Endowment Sponsor-\$1,000:** In addition to the Corporate Sponsor benefits, sponsors at this level will be identified as a Scholarship Endowment Sponsor on all conference materials and Chapter publications. Scholarship Endowment Sponsors will also receive recognition at the Scholarship awards presentation.

Our all-volunteer organization anticipates using the proceeds from the Corporate Sponsorship Program for the following activities:

- Providing scholarships for college students pursuing environmentally oriented degrees in Georgia.
- Funding technical outreach activities of the Chapter

An enrollment form is enclosed for your use in joining the program. Simply complete the form and return it with your check made out to A&WMA-Georgia Chapter. If you have any questions on the program, please contact me at 404-592-6029. Credit card payment for sponsorship can also be made via the chapter website under Sponsorship at [www.gaawma.org](http://www.gaawma.org).

Sincerely,

Benjamin Sessions  
A&WMA Georgia Chapter Chair
