Dear Colleague:

The A&WMA–[Georgia Chapter](#) is composed of environmental professionals throughout the state. As Co-Chairs of the Education Committee, we would like to share a scholarship opportunity with you.

The Georgia Chapter will award up to **two graduate student scholarships of at least \$1,000 each** during our December Brown Bag Event, the specific date to be determined. We will award the scholarships to graduate students conducting research on topics related to air quality, waste management, pollution prevention, environmental policy/compliance/law, sustainability, or a related topic. The scholarship recipients will also be awarded a complimentary one-year student level membership to the national A&WMA.

Interested graduate students must submit a brief abstract describing their research no later than **Tuesday, November 1, 2022**. The recipients will be recognized during our December Brown Bag Event and will have an opportunity to make a brief presentation describing their research. The scholarships will be awarded ahead of the brown bag in coordination with the GA AWMA Treasurer and recipient.

Abstracts should be e-mailed to [gachapterawma@gmail.com](mailto:gachapterawma@gmail.com). They should be no more than 300 words and should include at a minimum: i) the purpose/objectives of the research; ii) research methods; and iii) benefits of the research. The applicants should also complete and email the attached abstract submission form along with abstract submission.
