Chair's Report

- Primary discussion for meeting is to review action items for the upcoming regulatory update conference.

Treasurer Report

- No Report

Secretary Report

- No Report

Membership Chair Report

- No Report

Brown Bag Chair Report

- A potential speaker has been identified from UPS to discuss their sustainability program. This person will be contacted and asked if they would be willing to present in one of the Fall months.

Young Professional Chair Report

- A student coffer hour has been set up for 4pm today in which information about AWMA will be presented and discussed. Chris Hurst will present and is furnishing coffee while Shira will be providing snacks.
- A braves game and tailgate outing has been scheduled for May20th but may be pushed out to June.
- The Young Professional contact list continues to grow and there are approximately 40 names on the list, half have been new contacts generated over the past few months.
- A small amount of time will be set aside at the Regulatory Update conference to allow YP/Student chapter to provide an update of their groups and activities.

Old Business

- A joint social meeting has been set up with the Alliance of Hazardous Materials Professionals (AHMP; formerly CHMM) for May 14th. This event will take place at the Red Hare Brewery in Marietta and speakers will be sought out to provide a networking topic discussion. Registration will be run through the AWMA website and part of the event will be subsidized by both local chapters.

Spring Conference

- A final agenda has been set, and the headcount has bene provided to catering firm for morning service. So far there are 62 pre-registrations.
- Amy will create handouts of the program agenda and Chris will obtain poster boards with sponsor logos and agenda. Amy will also generate name tags and help with sign-in.
- A final reminder will be sent out this afternoon and Katy and Thomas will follow-up with speakers to confirm the receipt of presentations and day of logistics
