Meeting Topics

- ❖ Clean Air Permit Workshop: This workshop is sponsored by National AWMA and the Southern Section is helping to host. It will be held at the Sheraton Hotel in downtown Atlanta on May 10-11. The GA Chapter had considered scheduling a half-day regulatory update on the afternoon of May 11, but decided not to because of the higher cost involved and the lack of time to include a waste update. Instead, three more speakers will be added to the workshop agenda, possibly Jimmy Palmer, Jack Capp, and Beverly Bannister. Other speakers will include Bill Hartnett and Gary McCutchen.
- ❖ Regulatory Update: Because of the permit workshop to be held on May 10-11, we discussed scheduling options and agreed to try for either June 5 or 11, depending on room availability. We voted to maintain the same fee structure as last year. Heather will lead the Air Session and Chris the Waste Session.
- ❖ Next Brownbag: Joan contacted the chair of the Environmental Law group about holding a joint brownbag in May. Frank McManus will speak on Fracking, at a law office location.
- ❖ Email Messages to members: It was brought up that recent email messages may not have reached all intended recipients or that some distribution groups were inadvertently omitted. The Member Clicks system places attachments at the bottom of messages, which may be overlooked. Joan volunteered to help with sending emails, if needed.
- ❖ Scholarship Status: Della will contact Rochelle to check status. Heather and Chris will look into posting scholarship forms to website.
- ❖ Next Board meeting: April 6, 2012 at 10:00, conference call.
